IMPORTANT INFORMATION REGARDING CEUS

This Seminar is not the same as last year and you can receive CEUs for it even if you attended last years session. Remember that CEUs cannot be awarded until the Administrative fee is received. FRWA cannot accept personal checks or purchase orders as payment. There will be no registration payment taken at the door or taken over the telephone, so get your registration and payment in early!

This agenda is being sent to all FRWA members, Florida utilities, and water and wastewater operators in the state in an effort to assure that you receive this information. For the latest in training information, check out our website at www.frwa.net and click on TRAINING. This site is updated continuously and will have information on any training available through FRWA as soon as it is available.
