

Focus on Change and CEUs

- For your convenience all presentation materials will be made available on our website to download on January 25, 2019. If you would like to print them and bring them with you.
- Attendees may earn 0.6 Drinking Water and/or Distribution System CEUs or 6 hours of PDHs if they attend the morning session and the Water Session in the afternoon. Attendees may receive 0.6 Wastewater license CEUs if they attend the morning session and the Wastewater Session in the afternoon. Please check the correct box on the registration form.
- **This Seminar is not the same as last year and you can receive CEUs for it even if you attended last year's session**
- CEUs cannot be awarded until the Administrative fee is received.
- FRWA cannot accept personal checks or purchase orders as payment.
- There will be no registration payment taken at the door or taken over the telephone.
- Those wishing to attend a **second** Focus seminar will receive only 0.3 CEUs toward their *other* (water/wastewater/distribution system) license for the afternoon session, since the morning session will be a duplication in all Focus seminars. *Attending more than two sessions is duplication and CEUs cannot be awarded for duplicate sessions.*
- This training is provided at no charge, however an Administrative/Processing fee (to ensure proper records are kept, tracked, and submitted per DEP requirements) of \$65.00 will be charged to those wishing to earn CEUs and pre-register. Those employed by a current member system will receive a discount (registration will be only \$35.00) if registration is received at least five business days prior to the event. The fee is payable by money order, cashier's check, credit card, or member system company check. (No personal checks or purchase orders will be accepted via fax or mail.)
- Any registration or payment received by FRWA less than five business days prior to the event will be \$85.00 for Members and \$115.00 for Non-Members. There will be no registration payment accepted at the door or taken over the telephone.
- Questions related to your records for FRWA sessions should be directed to FRWA, not DEP.
- An attendee that leaves the room while the session is in progress may jeopardize their CEUs for that session. FRWA understands and realizes emergencies and special situations will occur, but will be unable to jeopardize the whole CEU program for one individual's special situation. For this we apologize.
- *To assure seating, please mail your registration to the Florida Rural Water Association, 2970 Wellington Circle, Tallahassee FL 32309 or fax it to 850.893.4581 even if you do not need CEU/PDH credits. Information cannot be taken over the telephone.*
