Resources and Additional Improvement Ideas

2:30pm – 3:15pm
USDA RD Apply / EPA Funding Sources
USDA RD Staff / EPA Regional Staff

3:15pm – 3:30pm
Evaluation Forms and CEUs/PDHs

You must register as a PE in order to receive a Professional Engineer PDH certificate of attendance. The certificate will be issued and distributed once the class is completed.

CLE Forms will be handed out during class to those wishing to obtain CEUs. These forms are the only proof of attendance that will be recognized by FRWA as eligibility for CEUs. Forms must be obtained, completed, and submitted at the end of each session to be accepted.

The course is located at Tallahassee, FL 32307.

SEATING IS LIMITED TO 200 ATTENDEES

This class is subject to cancellation if registration is less than 20 attendees within 5 working days of the class. If the class is cancelled, FRWA will notify you and may only refund one half of your registration fee due to administrative costs. Please be sure to provide your correct email address on the registration form so we can contact you in case of cancellation. FRWA encourages the utility where the training class is being held and all attendees to notify others to register for the training class to prevent cancellation.

You may register online at www.frwa.net. If you do not wish to earn CEUs, you may fax this form to 850.893.4581 or email it to Admin@frwa.net. To pay by check, please complete this form and mail it with your company check to FRWA 2970 Wellington Circle, Tallahassee, Fl 32307.

This interactive workshop will help rural and small systems address a wide range of challenges. Tools developed by EPA, USDA and small system managers help improve management of operations and infrastructure. The Rural and Small Systems Management Guidebook to Sustainable Utility Management provides assessment tools for identifying and making operations improvements, how to improve long-term sustainability and increase resiliency of their systems. Attendees will develop a work plan to implement improvements at their system, and share information with their peers on common challenges and solutions. USDA Rural Development will present.

**SEMINAR OBJECTIVE**

**DRIVING DIRECTIONS**

DeFuniak Springs Community Center
361 N 10th St
DeFuniak Springs, FL 32433

The Community Center is located north of I-10; take US 331 (toward US-90) north for 2 miles, then turn right onto E Nelson Ave for 0.2 mi, then turn left onto N 10th St.
